Man Kwan Pak Kau College
2025-2026
Information Day for S.1 Admission

Our school is committed to fostering holistic student development, with our students achieving outstanding results across diverse learning domains. In 2018, we were honored as one of the “*Top 10 National Innovative Schools in Technology Education*” and selected by the Office of the Government Chief Information Officer (OGCIO) as one of the eight secondary schools in Hong Kong to implement the IT Enrichment Programme. Additionally, our school offers EMI classes from S1 to S5, cultivating students’ confidence in using English while providing them with a global perspective.

Applications for the 2026-2027 discretionary places (DP) will begin soon. We understand the importance of selecting the right secondary school for your child, and we are here to support you in making an informed decision. To provide a comprehensive understanding of our school's curriculum and distinctive features, we are pleased to host a series of Information Days for S1 Admission. We cordially invite parents and P.6 students to participate in these sessions. Please find the details below:

1. Introduction of School Curriculum cum Campus Tour

Parents will gain insights into our educational philosophy, curriculum features, and student care initiatives through this session. In addition, a guided campus tour will be provided to showcase our facilities.

Date: 18/10/2025 (Saturday)

Time: 11:00 - 13:00

2. Open Classroom: Deep Learning Programme

Parents will participate in activities from our Deep Learning Week through a public lesson. This session will allow parents to experience our innovative deep learning model firsthand.

Date: 30/10/2025 (Thursday)

Time: 09:00 - 11:00

3. Strategies on Choosing a Secondary School cum Parent-Child STEAM & IT Learning Experience

This session will introduce effective strategies for selecting a secondary school. Parents and children will also participate in interactive STEAM activities, allowing them to experience the engaging and innovative teaching approaches in our Science Lab.

Date: 8/11/2025 (Saturday)

Time: 14:00 - 16:00

4. Introduction of EMI Classes cum Open Classroom

Parents will join an open classroom session to experience the dynamic and interactive learning environment of our English lessons, which are delivered under our EMI curriculum.

Date: 18/11/2025 (Tuesday)

Time: 10:15 - 11:35

5. School Open Day cum Strategies on Choosing a Secondary School

Parents and students will explore the unique features of our school through student showcases, exhibits, and booth stations highlighting key learning activities. Parents will also receive a brief introduction to our educational philosophy.

Date: 6/12/2025 (Saturday)

Time: 10:15 - 11:35

14:00 - 15:30

6. Interview Skills Workshop for P.6 Students

Participants will receive an instructional video on interview techniques as preparation for this workshop. On the workshop day, mock interviews will be conducted to enhance both individual and group interview skills, equipping students for admission to our school.

Date: 3/1/2026 (Saturday)

Time: 09:00 - 12:30

7. Strategies on Choosing a Secondary School (Central Allocation) cum Campus Tour

Parents will receive guidance on selecting a secondary school under the Central Allocation system. A guided campus tour will also be provided as part of this session.

Date: To be confirmed

Time: 10:00 - 12:00

We warmly invite parents and prospective S1 students to join our Information Days. For inquiries, please contact Ms. Chan Hoi Yee at 2448 2960. To register, please scan the QR code or visit the following link:
